

FRANKLIN COUNTY
BOARD OF COMMISSIONERS

"You Are Why We Are Here"

UPDATED APRIL 30, 2020

We care deeply about the safety of our citizens and our employees. Franklin County has been working to improve customer service areas and implement protocols to reduce the spread of contagious illnesses, including COVID-19. Some areas are still under construction and will remain closed until the completion of the work.

The following is a list of building openings. Please contact a specific office if you have questions.

Board of Commissioners	OPEN – beginning Monday, May 4
Tax Commissioner	OPEN – beginning Monday, May 4
Tax Assessor	Temporarily closed due to construction; call for service
Elections Office	OPEN – beginning Monday, May 4
Senior Center	CLOSED – to congregated activity
Justice Center	OPEN – for <u>limited</u> service; call ahead

As we prepare to "Revive a Health Georgia" in accordance with the April 23, 2020 Executive Order, we are asking for the public's help in reducing possible exposure. This includes:

- Transact business with the county offices via website, telephone, drop box, or by appointment
- Practice "Social Distancing" by ensuring 6 feet distance between persons
- Limit the number of persons in customer service area/lobbies to the number posted
- Do not enter any building if you have any symptoms (fever, cough, or shortness of breath) or have been in close contact with a person who is ill
- Follow all recommendations by the CDC and the Georgia Department of Public Health

Preventative actions are being employed with public health and safety in mind. We must all share in this responsibility by implementing social distancing and practicing common sense infection control.

Please visit our website at www.franklincountyga.gov for office information, telephone numbers, forms, and applications.

Thank you.
Beth Thomas, County Manager
