Residential Swimming Pool Permit Application Checklist

The following list of documentation is required before a permit will be issued for residential construction. Incomplete forms will not be processed and will delay permit issuance. Please return this form with all permit application submittals.

- _____ Completed building application
- _____ Contractor licensing documentation (state and business) (if applicable)
- _____ Completed subcontractor trade permits (electrical, mechanical/gas, plumbing) (if applicable)
- _____ Subcontractor licensing documentation (state and business for each trade) (if applicable)
- _____ 2 sets of scaled construction drawings on 8 ½ "x 11" paper (pool plan and details, fence details)
1 set will be returned with permit placard.
- _____ Scaled site plan detailing project location, location of other structures on property including fences, accessory buildings, etc.
- _____ Approval letter or document from FC Environmental Health

This permit application must be accompanied by a detailed site plan showing property boundary lines, the location of all structures on the property and the location of the proposed fence or wall and any gates.

Notice: No changes shall be made from that which is stated in this application, or in attached plans and specifications, except by submitting a revised application, plans and/or specifications and receiving approval of the Chief Building Inspector for such change. Granting of a permit shall not be construed as a permit for or an approval of any violation of the Building Code or any other state or local law regulating construction or the performance of construction. I hereby certify that I have read and examined this application and the information provided herein is true and correct. I further certify that all construction will comply with the Minimum Building Codes.
